

# Oi Polloi, When two men kiss

When two men kiss  
Walk hand in hand  
The fear of what  
You don't understand  
Explodes into violence  
Screams break the silence  
"The guy was a poof"  
"The guy was queer"  
Dehumanised  
And living in fear  
No, you're not thick  
And you say they're sick  
But the only sickness  
I can see  
Is the cancer of  
Your bigotry  
What kind of society do we live in where the simple act of showing love and affection towards another person is considered a crime?  
From nazi boneheads to Bad Brains - Warped attitudes that we must change and it's not just homosexuals who are affected.
