

Oi Polloi, Your Beer Is Shit And Your Money Stinks

Capitalist wanker - neat idea
Increase profits, sell more beer
Company announce music sponsorship
Just a cheap ad for their f**kin' shit

Tennents Live - parasites
Tennents Live - F**k you

You can't buy our energy, you can't buy our anger
We're not the puppets of some big business wanker
So greedhead, you're out of luck
We're not for sale and you can get tae f**k
