

# Oingo Boingo, War Again

Don't you know we got smart bombs,  
It's a good thing that our bombs are clever.  
Don't you know that the smart bombs are so clever,  
They only kill bad people, now

Don't you know though our kids are dumb,  
We got smart bombs, what a joyous thing, now  
Here we go so let's drink a toast,  
To those clever bombs, and the men who built them

There they go now, there go all my friends  
There they go now, marching off to war again  
Smiling proudly, with their heads in the clouds

Don't you know this is better than any video friend,  
It's an action movie  
Here we go watch the bad guys get their butts kicked  
Really makes me feel good.  
Here we go watching CNN, the adrenaline rushes through my veins  
Don't you know it's a feel good show, electronic bliss  
It's a video, video...

There they go now, there go all my friends  
There they go now, marching off to war again  
With their bright flags waving in the wind  
There they go now, marching off to war again  
Smiling proudly, with their heads in the clouds

Aren't you glad we got smart bombs,  
It's a good thing our bombs are clever  
It's a shame that our kids are dumb,  
But our bombs are smart, what a lucky thing now  
Don't you know it's a feel good show and it's suitable  
For the whole darn family  
Come on out everybody shout, give a big salute to our ingenuity  
Don't you know this is better than any video friend,  
It's an action movie  
Here we go, watch the bad guys get their butts kicked,  
And it makes me feel good  
Don't you know it's Nintendo,  
Really gets the blood flowing through my veins now  
Don't you know it's a feel-good show,  
Electronic bliss, it's a video, video

There they go now, there go all my friends  
There they go now, marching off to war again  
With their bright flags waving in the wind  
There they go now, marching off to war again  
Smiling proudly, with their heads in the clouds

There they go now, there go all my friends  
There they go now, marching off to war again  
With their bright flags waving in the wind  
There they go now, marching off to war again  
Smiling proudly, with their heads in the clouds  
See that smile now marching on in the light, yeah...
