

# Okay, Oh

Oh yeah  
I got a full life  
[x4]

The good life  
The way it's supposed to be  
[x4]

But it hurts  
To be stabbed in the back

It hurts  
To be stabbed in the back  
[x5]

And I once looked to you  
When I was down and blue  
And you said to me,  
Boy, you're right where I want you to be  
But it's something I won't let you see

It'll never be you  
It'll always be me  
It'll never be you  
It'll always be me  
It'll never be you  
It'll always be me  
It'll never be you  
It'll always be me  
It'll never be you  
It'll always be me  
It'll never be you  
It'll always be me  
It'll never be you  
It'll always be me  
It'll never be you  
It'll always be me  
It'll never be you  
It'll always be me  
It'll never be you  
It'll always be me
