## Ola, Given To Fly

Now I'm here, and I never doubted someday I would be I said I'll be there, and I don't care if there's No road I'll find my way It doesn't matter what it takes So go ahead and say what you like There ain't no way I'm missing this ride I feel so high I could fly Was born to reach for the sky Oh no, I cannot deny this feeling And I just hope you can see that there is no holding back in me I'm already in motion Go ahead, you can pull me down I'll find my way back up Cause I'm here to stay And I can do whatever I want cause it's my life And no matter what you say I swear, I don't care Find More lyrics at www.sweetslyrics.com I'll be here cause I know that I was given to fly I feel so high I could fly Was born to reach for the sky Oh no, I cannot deny this feeling And I just hope you can see that there is no holding back in me I'm already in motion What you think and do I don't mind And you can say whatever you like I swear, I don't care I'll be here cause I know that I was given to fly I feel so high I could fly Was born to reach for the sky Oh no, I cannot deny this feeling And I just hope you can see that there is no holding back in me I'm already in motion
