

Olaf Bressa, You Look Good (Eurowizja 2017)

I think you gonna walk away
And Darling, don't you wanna stay
I love you blue dress
I really fallin for your blue dress

They say you always first to run
My love's only just begin

So don't begin tell me
Tell me
The night is over
Tell me
Tell me
Stars don't shine
don't begin tell me
Tell me
You going home
Cuz you look good,
Yeah, You look good tonight
You look good tonight

I don't know the reason why
There I won't falling for your eyes
And I'm fallin for your blue dress

And now you're almost sure to run
My love's only just begin, begin

So don't begin tell me
Tell me
The night is over
Tell me
Tell me
Stars don't shine
don't begin tell me
Tell me
You going home
Cuz you look good,
Yeah, You look good tonight
You look good tonight

But your mind's made of you

And I been here before
You walk out of that door
I'm so trying
So trying

So don't begin tell me
Tell me
The night is over
Tell me
Tell me
Stars don't shine
don't begin tell me
Tell me
You going home
Cuz you look good,
Yeah, You look good tonight
You look good tonight
