

Old 97's, Buick City Complex

Do you wanna mess around?
Do you wanna spend the night?
I've known both kinds of love
But I want to get it right this time
I don't wanna settle down
I don't want to make no plans
Except for what I'm gonna do
With a pair of idle hands

CHORUS:

They're tearing the Buick City Complex down
I think we're the only people left in town
Where are you gonna move, where are you gonna move?
Do you wanna mess around?
Do you wanna be my girl
Do you wanna be my friend
Do you wanna start it off
Just to see how it will end
Do you wanna mess around?
I mean deep down in your bones
In hotel swimming pools
On public telephones
They're tearing the Buick City Complex down
I think we're the only people left in town
Where are you gonna move, Where are you gonna move?
Do you wanna mess around?
REPEAT CHORUS
