

# Old 97's, Busted Afternoon

There was a fine rain  
There was a red wine  
There was a long whistle  
and it was a good sign  
There was a band playin'  
Somewhere off-screen  
There was a girl sayin'  
"Come clean."  
CHORUS

In a dream  
On a busted afternoon  
In a haze  
On a busted afternoon  
In a bad way  
On a busted afternoon  
There was a sad truth  
There was a punchline  
and there was a long whistle  
and it was a good sign  
And there was a long goodbye  
There was a long goodbye  
(Repeat Chorus)
