

Old 97's, Weightless

Weightless

I reckon Heaven is a place
Where time is nonexistent, yeah
And the things that are important, yeah
Don't take any time at all
An awful lot like like outer space
Where everything is weightless, yeah
Even heavy things are weightless, yeah
Don't take up any space at all

CHORUS

Right on, right on
Oh yeah it's so clear
All the bad things are gone
All the good things are here
Right on, right on
Oh yeah it's so clear
All the bad things are gone
All the good things are here
Almost exactly like this place
Where you and I are fighting, yeah
I'm so sick and tired of fighting, yeah
Up there we'll never fight at all

REPEAT CHORUS

I reckon Heaven is a place
Where everything is weightless, yeah
Even heavy things are weightless, yeah
Up there we'll never fight at all.
