Old 97's, Weightless

Weightless

I reckon Heaven is a place Where time is nonexistent, yeah And the things that are important, yeah Don't take any time at all An awful lot like like outer space Where everything is weightless, yeah Even heavy things are weightless, yeah Don't take up any space at all **CHORUS** Right on, right on Oh yeah it's so clear All the bad things are gone All the good things are here Right on, right on Oh yeah it's so clear All the bad things are gone All the good things are here Almost exactly like this place Where you and I are fighting, yeah I'm so sick and tired of fighting, yeah Up there we'll never fight at all REPEAT CHORUS

I reckon Heaven is a place Where everything is weightless, yeah Even heavy things are weightless, yeah Up there we'll never fight at all.
