

# Old Dominion, Easy To Miss

I don't need to hear a song  
I don't need to hear your name  
I don't need to see your red Chevrolet rolling down the street

Tequila don't change it  
Nothing really does  
I wish it wasn't what it was, but I guess that's the way it's gonna be

You're so easy to miss  
Got a heartbreak hold on me  
You keep walkin' all over my world like it just comes naturally  
You were so easy to kiss  
Your lips are burned in my brain  
I don't know how you did what you did, but I can't get off this train  
So tell me, why you gotta be, why you gotta be so damn easy to miss?  
Why you gotta be, why you gotta be so damn easy to miss?

Verse two

Mama always says  
"Forgive and forget"  
I try night after night, but I ain't quite got there yet

I can't take it  
Can't take it  
I can't leave it  
Can't leave it  
I can't pick up all of these pieces off the floor  
You walked out that door

You're so easy to miss  
Got a heartbreak hold on me  
You keep walkin' all over my world like it just comes naturally  
You were so easy to kiss  
Your lips are burned in my brain  
I don't know how you did what you did, but I can't get off this train  
So tell me, why you gotta be, why you gotta be so damn easy to miss?  
Why you gotta be, why you gotta be so damn easy to miss?

Was this your plan all along?  
Do you even care that I'm still hangin' on?

Girl, you're so easy to miss  
Got a heartbreak hold on me  
You keep walkin' all over my world like it just comes naturally  
You were so easy to kiss  
Your lips are burned in my brain  
I don't know how you did what you did, but I can't get off this train  
So tell me, why you gotta be, why you gotta be so damn easy to miss?  
Why you gotta be, why you gotta be so damn easy to miss?

Why you gotta be, why you gotta be so damn easy to miss?  
Why you gotta be, why you gotta be so damn easy to miss?
