

Oleander, Rainy Day

Another rainy day, sunlight in your eyes
I sleep the day away, without you by my side
I want to save the world, I want to save my self
But I covered over grey, another rainy day

Raise my hand and wave goodbye
I tell myself I'll be alright
Another hour, I'll be sky high
Doing my best to hold on tight
I close my eyes and come back down
Lose myself inside your smile -
and stay there for awhile

Another Rainy Day, and all I have is time
I waste the day away, and watch the world go by
You wanna save the world, you wanna save yourself
But you covered over grey, another rainy day

Raise my hand and wave goodbye
I tell myself I'll be alright
Another hour, I'll be sky high
Doing my best to hold on tight
I close my eyes and come back down
Lose myself inside your smile -
and stay there for awhile

Raise my hand and wave goodbye
I tell myself I'll be alright
Another hour, I'll be sky high
Doing my best to hold on tight
I close my eyes and come back down
Lose myself inside your smile -
Be home for awhile
