

Oleta Adams, I Just Had To Hear Your Voice

I know you thought it best
That we spend a little time apart
But one night with out you
Was too much for my heart
I know I promised not to call
Sorry but I didn't have a choice
I just had to hear your voice
I had to know that you're okay
I couldn't get to sleep this way
Please don't be mad at me
'Cause I really did the best I could
Not to dial your number but it didn't do much good
Hung up the phone so many times
'Til I didn't have a choice
I just had to hear your voice
I had to know that you're okay
I couldn't get to sleep this way
And I had to hear you say hello
Had to hear you, because I love you so
I know you thought it best
That we spend a little time apart
But I had to hear your voice
Though I know it wasn't right
I just had to hear your voice
Goodnight
