## Oleta Adams, I Just Had To Hear Your Voice

I know you thought it best That we spend a little time apart But one night with out you Was too much for my heart I know I promised not to call Sorry but I didn't have a choice I just had to hear your voice I had to know that you're okay I couldn't get to sleep this way Please don't be mad at me 'Cause I really did the best I could Not to dial your number but it didn't do much good Hung up the phone so many times 'Til I didn't have a choice I just had to hear your voice I had to know that you're okay I couldn't get to sleep this way And I had to hear you say hello Had to hear you, because I love you so I know you thought it best That we spend a little time apart But I had to hear your voice Though I know it wasn't right I just had to hear your voice Goodnight
