Oliver Haze, Save A Prayer

You saw me standing by the wall corner of a main street and the lights are flashing on your window sill all alone ain't much fun so your looking for the thrill and you know just what it takes and where to go

Don't save a prayer for me now save it till the morning after no don't say a prayer for me now save it till the morning after

Feel the breeze deep on the inside look you down into the well if you can you'll see the world in all his fire take a chance like all the dreamers can't find another way you don't have to dream it all just live a day

Don't say a prayer for me now save it till the morning after no don't say a prayer for me now save it till the morning after save it till the morning after

Pretty looking road I try to hold the rising floods that fill my skin don't ask me why I'll keep my promise I'll melt the ice and you wanted to dance so I asked you to dance but fear is in your soul some people call it a one night stand but we can call it paradise

Don't say a prayer for me now save it till the morning after no don't say a prayer for me now save it till the morning after save it till the morning after

Save a prayer till the morning after Save a prayer till the morning after
