

# Oliver James, Long Time Comin'

.Everybody wants to be loved  
Every once in a while  
We all need someone to hold onto  
Just like a helpless child, yeah

Can you whisper in my ear  
Let me know it's alright

It's been a long time coming  
Down this road  
And now I know  
What I've been searchin' for  
And like a lonely highway  
I'm tryin' to get home  
Ooo, love's been a long time coming

You can love for a lifetime  
You can love for a day  
You can think you've got everything  
But everything is nothing  
When you throw it away, yeah  
Then look in my eyes  
And I have it all once again

It's been a long time coming  
Down this road  
And now I know  
What I've been searchin' for  
It's like a lonely highway  
I'm tryin' to get home  
Ooo, love's been a long time coming

Didn't know I was lost  
Til you found me, uh huh  
Didn't know I was blind  
But now I see

Can you whisper in my ear?  
Let me know it's alright

It's been a long time coming  
Down this road  
And now I know  
What I've been searchin' for  
Oooh, been a long long highway  
And now I see  
Ooo, love's been a long time  
Oooh been a long time  
Love's been a long time coming
