

Oliver James, The Greatest Story Ever Told

Thank you for this moment
I've gotta say how beautiful you are
Of all the hopes and dreams I could've prayed for
There you are
If I could have one dance forever
I would take you by the hand
Tonight it's you and I together
I'm so glad, I'm your man

And if I lived a thousand years
You know, I never could explain
The way I lost my heart to you
That day.
But if destiny decided
I should look the other way
Then the world would never know
The greatest story ever told
And did I tell you that I love you tonight?

I don't hear the music
When I'm looking in your eyes
But I feel the rhythm of your body
Close to mine.
It's the way we touch that sends me
It's a way we'll always be
Your kiss, your pretty smile you know I'd die for
Oh baby, you're all I need.

And if I lived a thousand years
You know, I never could explain
The way I lost my heart to you
That day.
But if destiny decided
I should look the other way
Then the world would never know
The greatest story ever told
And did I tell you that I love you,
Just how much I really need you
Did I tell you that I love you tonight?
