Oliver Tree, Freaks & Geeks

I'm a weirdo, I'm a freak, no matter who I try to be
I changed my life, I changed my ways, I always wanted better days
I tried my best, I've been the worst, for all I lost and what it's worth
I always gave and then gave up, I found myself shit out of luck

I've done some sinning, but I'm a savior
They gonna love ya, until they hate ya
I'm done with sinning but I'm still not right
They're gonna eat you up inside

Don't stop
Whether you like it or not
Whether you like it or not

I'm a slacker, I'm a geek, no matter who I try to be
I changed my look, I changed my mind, but I was flawed by my design
And I tried my best, I've been the worst, for all I lost and what it's worth
I always gave and then gave up, I found myself shit out of luck

I've done some sinning, but I'm a savior
They gonna love ya, until they hate ya
I'm done with sinning but I'm still not right
They're gonna eat you up inside

Don't stop
Whether you like it or not

I'm a screw up, but I do it
For all the freaks and the geeks and for the ones who don't speak
I'm a dumbass but people love that
And they hate me as much as they show me the love

I'm a screw up, but I do it
For all the freaks and the geeks and for the ones who don't speak
I'm a dumbass but people love that
And they hate me as much as they show me the love
