

# Olivera, Thank God I'm an Atheist

It's so sweet  
The way they're seeing me  
It's the worst kind of evil when everybody thinks it's good  
And I know  
That I am the one to blame for this thing  
When they sharpened their knives they would never ever have believed  
I like to play with gasoline

Thank God I'm an atheist  
'Cause I don't wanna face my sins  
I don't know, it seems pretty clear to me  
That Heaven is a state of mind  
So thank God I'm an atheist  
'Cause I don't wanna live forever and on  
Just die when it's time for it  
Just fall asleep and disappear

What's running in your mind deep inside?  
People shopping their values  
Whatever's working out right now  
Instead of figuring them out

Thank God I'm an atheist  
'Cause I don't wanna face my sins  
I don't know, it seems pretty clear to me  
That Heaven is a state of mind  
So thank God I'm an atheist  
'Cause I don't wanna live forever and on  
Just die when it's time for it  
Just fall asleep and disappear  
I don't wanna be alone tonight  
I'm a child full of life  
Am I alone with my thoughts?  
What's the point of it all  
If we only keep living this life to get another one?  
Ooh, hold me tight and look me in the eyes full of life  
Am I really all alone with my thoughts?  
What's the point of it all  
If we only keep living this life to get another one?

Thank God I'm an atheist  
'Cause I don't wanna face my sins  
I don't know, it seems pretty clear to me  
That Heaven is a state of mind  
So thank God I'm an atheist  
'Cause I don't wanna live forever and on  
Just die when it's time for it  
Just fall asleep and disappear
