Travel to the moon  
Kimi wa nemuri, yume wo toku  
Dare mo inai

Tsuyoku naru tame  
Wasureta egao  
Kitto futari nara, torimodosu

I'm here waiting for you  
Ima to wa chigau mirai ga atte mo  
I'm here waiting for you  
Sakebi tsuzukete  
Kitto kokoro wa tsunagu ito wo tagutteru  
Ano koro no watashi me wo samasu you ni  
No need to cry  
Travel in silence,  
Te wo nobaseba, fureru no ni  
Kimi wa tooi

Koe ga kikoeru,  
Me wo tojireba  
Chiisa na itami sae itoshikute

I'm here waiting for you  
Kaze ni fukare hitori mayotte mo  
I'm here waiting for you  
Sora wo miagete  
Zutto kokoro wa te wo hirogete mamotteru  
Ano koro no kimi ga furikaeru made  
No need to cry  
Feel something Wide open ears  
Feel nothing Disarm the dream tickler  
Listen closely In the constant moment  
Listen closely  
You will find me Let the blood flow  
Where it's quiet Through all the spaces  
Listen closely Of the universe  
Listen closely  
Kizuite
