But you see, that when I shut my eyes I meet another
me
She sings to me sweet lullabyes and fantasies
She says undo me ~set me free~
Release me ~can't you see?~
That your mind controls everything
I don't want to be a shadow of you fear and doubt of a
little coward
cause I can be anything I want to be so you and me
We have to agree If anyone can do it So can we
