

Olivia Lufkin, Solar Half Breed

Child of the sun
Changing with the sky
Sakura shy
December clouds cry
Illuminant light
Illuminate me
Illuminant light
Illuminate me
Play me a symphony
Dance with me
Child of the moon
Changing with the tide
Up and down
The seashore side
Illuminant light
Illuminate me
Illuminant light
Illuminate me
With you I find
What is me
Illuminant light
Illuminate me
Illuminant light
Illuminate me
Play me a symphony
Dance with me
