

# Olivia Newton-John, All Over The World

Everybody all around the world, gotta tell you what I just heard  
There's gonna be a party all over the world

I got a message on the radio, but where it came from I don't really know  
And I heard these voices calling all over the world

Coro:  
All over the world, everybody got the word  
Everybody everywhere is gonna feel tonight

Everybody walkin' down the street, everybody movin' to the beat

We're gonna take a trip across the sea, everybody come along with me  
We're gonna hit the night down in gay Pareee
