

Olivia Newton-John, Australia For Me

AUSTRALIA FOR ME

As a young girl I came here by sea
To a new home for my family
It welcomed us with open arms
A chance to live my dream
And there's no place that I'd rather be
Yes it's always Australia for me

As the years went on I moved far away
And I always said I'd come back someday
I think about it all the time
My friends all hear me say
That there's no place that I'd rather be
Yes it's always Australia for me

Live, love, knowing that we're all free
Now that we are blessed in our country
And realize how lucky we are
Safe beneath our southern star
And there's no place that I'd rather be
Yes it's always Australia for me

Live, love, knowing that we're all free
Now that we are blessed in our country
And realize how lucky we are
Safe beneath our southern star
And there's no place that I'd rather be
Happy Birthday to Auzzie from me.
