

Olivia Newton-John, Do You Feel

Do you feel the way I do
Tell me now oh tell me now
I need to know that it's true
Oh do you feel the way I do
I need to know

Do you love me the way I love you
Tell me now oh tell me now
I need to know that it's true
Oh do you feel the way I do
I need to know

The world is a wonderful place
It spins around and spins around
The world has a magic about it
The stars above are like my love
You never need to doubt it

Ooh are we real or is this a dream
Tell me now oh tell me now
Is it all that it seems
Oh do you feel the way I do
I need to know

The world is a wonderful place
It spins around and it spins around
And spins around in space
The world has a magic about it
And though I try there's so much I
Will never know about it

Do you feel the way I do
Tell me now oh tell me now
I need to know that it's true
Oh do you feel the way I do
I need to know
I need to know
Do you feel the same way
Do you feel the same way I do
Do you feel like I do
I need to know
