

# Olivia Newton-John, Don't Stop Believin'

(John Farrar)

You think the world should see things your way  
Love, I know you, you think good fortune's here to stay  
Love, I know you shined in everything you tried before  
Your smile can open any door

But on those days when nobody wants to know you  
And all your smiles keep falling on stoney ground  
Don't stop believin', don't stop believin'  
Don't stop believin', you'll get by  
Bad days, bad days will hurry by

You never chase your dreams, they find you  
Love, I know you, if you need love, it finds you too  
Love, although you sail alone and free  
I'll follow in your wake  
And pray one day my heart you'll take

But on those days when nobody wants to know you  
And all your smiles keep falling on stoney ground  
Don't stop believin', don't stop believin'  
Don't stop believin', you'll get by  
Bad days, bad days will hurry by
