

# Olivia Newton-John, Grease

Frankie Valli - Grease Theme Song

I solve my problems and I see the light  
We got a lovin' thing, we gotta feed it right  
There ain't no danger we can go to far  
We start believing now that we can be what we are

Grease is the word

They think our love is just a growing pain  
Why don't they understand, It's just a crying shame  
Their lips are lying only real is real  
We stop the fight right now, we got to be what feel  
Grease is the word  
It's got groove it's got meaning  
Grease is the time, is the place, is the motion  
Grease is the way we are feeling

We take the pressure and we throw away  
Conventionality belongs to yesterday  
There is a chance that we can make it so far  
We start believing now but we can be who we are

Grease is the word  
It's got groove it's got meaning  
Grease is the time, is the place is the motion  
Grease is the way we are feeling

This is the life of illusion  
Wrapped up in trouble, laced with confusion  
What are we doing here?

We take the pressure and we throw away  
Conventionality belongs to yesterday  
There is a chance that we can make it so far  
We start believing now that we can be who we are

Grease is the word  
It's got groove it's got meaning  
Grease is the time, is the place is the motion  
Grease is the way we are feeling

Grease is the word, is the word that you heard  
It's got groove it's got meaning  
Grease is the time, is the place is the motion  
Grease is the way we are feeling

Grease is the word  
Is the word  
Is the word  
Is the word
