

Olivia Newton-John, If We Only Have Love

If we only have love
Then tomorrow will dawn
And the days of our years
Will rise on that morn
If we only have love
To embrace without fears
We will kiss with our eyes
We will sleep without tears

If we only have love
With our arms open wide
Then the young and the old
will stand at our side

If we only have love
Love that's falling like rain
Then the parched desert earth
Will grow green again

If we only have love
For the Him that we shout
For the song that we sing
Then we'll have a way out

I we only have love
Then Jerusalem Stands
And then death has no shadow
There are no foreign lands

If we only have love
We will never bow down
We'll be tall as the pines
Neither heroes nor clowns

If we only have love
To be shared with all men
We will drink from the grail
To be born once again

Then with nothing at all
But the little we are
We'll have conquered all time,
All space, the sun and the stars.
