

# Olivia Newton-John, Not Gonna Be The One

Oh yeah...  
Ah-ah-ah-ah-ah-ah-ah...  
Here we are in a room full of broken hearts.  
Lovers once,  
but in the end,  
we never really had a chance.  
You wanted to be free,  
now that your lonely,  
you want me back again.  
Ah-ah-ah...  
But I'm not gonna be the one that you call.  
Not gonna take the fall  
for all the your indecision.  
I'm not gonna put my back to the wall.  
I'm not gonna take the fall  
for all the pain you've given.

Me and you,  
we were a dream  
that never could come true.  
In time you'll see,  
that our love,  
was never really meant to be.

And if you discover  
you need a lover,  
someone to break your fall.  
Well, I'm not gonna be the one that you call.  
Not gonna take the fall  
for all your indecision.  
I'm not gonna put my back to the wall.  
Not gonna take the fall  
for all the pain you've given.  
Ay-ah-yi  
yaddah-yi  
yaddah-yi-yi-yi...  
Ay-ah-yi  
yaddah-yi  
yaddah-yi-yi-yi-yi-yi  
Oh, you wanted to be free,  
now that your lonely,  
You want me after all,  
oh-oh-oh...  
but I'm not gonna be the one that you call,  
Not gonna take the fall for all your indecision.  
Not gonna put my back to the wall.  
Oh-oh-oh...  
Not gonna take the fall,  
for all the pain you've given me.  
Not gonna be the one that you call,  
not gonna take the fall...  
not gonna put my back to the wall,  
not gonna take the fall...
