

Olivia Newton-John, Smile For Me

(Rory Bourke)

Smile for me
Let me know that I will always be
The one and only one you'll always need
Baby, smile for me

Smile for me
Chase away the cloud that constantly
Is like a shadow hanging over me
Baby, smile for me

Smile your smile of total tenderness
Smile the smile that takes away the rain
Smile away my total emptiness
For I never wanna have to cry again

Smile for me
And I'll become the girl you want to see
No, there's nothing that I can't be
If you'll just smile for me

Smile your smile of total tenderness
Oh smile your smile
Smile the smile that takes away the rain
Smile away my total emptiness
No, I never, never wanna have to cry again

Smile for me
And I'll become the girl you want to see
No, there's nothing that I can't be
If you'll just smile for me
No, there's nothing, nothing that I can't be
If you'll just smile for me
Smile for me
