

Olivia Newton-John, So Easy To Begin

(Jules Shear)

Well I've been so far away from you
Though standin' by your side
And there were nights we were so in love
That lovin' made me blind
But that time is so far below us now
the memory so thin

It's so easy to begin
But it's so hard to stop this love
It's just so hard to stop
When a heart that's lookin' for lovin' leads you in
It's so easy to begin

And I've at least saved some lessons from
A time I fell apart
And I know you've been wondering why
I look at you so hard
But I never want to wake up someday
And wonder where we've been

It's so easy to begin
But it's so hard to stop this love
It's just so hard to stop
When a heart that's lookin' for lovin' leads you in
It's so easy to begin
