

Olivia Newton-John, Stranger's Touch

(John Farrar/Steve Kipner)

I've been doing some soul searching
Feel guilty as a girl can feel
I've got no business smiling, beguiling
I'm caught up in a triangle
No future in this shape I'm in
So what do I find so appealing in stealing

Tell me
How come a stranger's touch can thrill me so much
My heart's in jeopardy
He's overpowering me
Oh what'll I do

I wasn't lookin' around
You know I'm happy with you
You're a part of me that I can't replace
But he touched my heart in a new place
He found a space

Tell me
How come a stranger's touch can thrill me so much
My heart's in jeopardy
He's overpowering me
Oh what'll I do

Can't keep on hurtin', hurtin' you

Tell me
How come a stranger's touch can thrill me so much
My heart's in jeopardy
He's overpowering me
Oh what'll I do
He's overpowering me
Oh what'll I do

Can't keep on, can't keep on, can't keep hurting you
Can't keep on, can't keep on, can't keep hurting you
