

Olivia Newton-John, Till You Say You'll Be Mine

(Jackie De shanon)

I, I don't care if the sky is pretty blue
I, I don't care if the sun comes shining through
It really doesn't matter baby, my heart keeps cryin'
Oh, life means nothing 'till you say you'll be mine

Untill you say you'll give all your love to me
Ain't nothing in this world that can make me happy
I just got to have you for my own, my heart keeps cryin'
Oh, life means nothing 'till you say you'll be mine

Every night I pray that we can someday walk hand in hand
down the aisle
But, I guess I'll have to wait and see
Oh, this waiting is killin' me, I'm no child
I don't care if I had all the money in the world
It just wouldn't matter if I wasn't your girl
Baby, there's only one thing that will stop my heart from cryin'
The day you tell me that you'll be mine
I'll be so happy the day you tell me that you'll be mine
