

Olivia Rodrigo, deja vu

Car rides to Malibu
Strawberry ice cream
One spoon for two
And trading jackets
Laughing about how small it looks on you

Watching reruns of
Bein' annoying
Singing in harmony
I bet she's braggin' to all her friends
Saying you're so unique

So when you're gonna tell her
That we did tat too
She think it's special?
But it's all re-used
Thta was our place
I found it first
I made the jokes you tell to her
When she's with you

Do you get deja vu
When she's with you?
Do you get deja vu?
Do you get deja vu?

What so you call her?
Almost say my name
Cause let's be honest
They kinda do sound the same
Another actress
I hate do think that i was just your type
And i bet taht she knwos Billy Joel
Cause iyou played her
You're singing it togehter
Now i bet you even tell her how you love her
In between the chorus and the verse

So when you're gonna tell her
That we did tat too
She think it's special?
But it's all re-used
Thta was our place
I found it first
I made the jokes you tell to her
When she's with you

Do you get deja vu
When she's with you?
Do you get deja vu?
Do you get deja vu?

Strawberry ice cream in Malibu
Don't act like you didn't that shit too
You're trading jackets like we used to do
Play her piano
But she doesn't know that
I was the one who taught you Billy Joel
A different girl now
But there's nothing new

Do you get deja vu
Do you get deja vu?
Do you get deja vu?
