

Olivia Rodrigo, lacy

lacy oh lacy
skin like pu□pastry
aren't you the sweetest thing on this side of hell
dear angel lacy
eyes white as daisies
did i ever tell you that i'm not doing well
oh, i care i care i care
like perfume that you wear i linger all the time
watching hidden in plain sight oh, i try i try i try
but it takes over my life i see you everywhere
the sweetest torture one could bear

smart sexy lacy i'm losing it lately
i feel your compliments like bullets on skin

dazzling starlet bardot reincarnate
well aren't you the greatest thing to ever exist
oh, i care i care i care

like ribbons in your hair my stomach's all in knots
you got the one thing that i want oh, i try i try i try
try to rationalize people are people
but it's like you're made of angel dust
lacy oh lacy
it's like you're out to get me
you poison every little thing that i do lacy oh lacy
i just loathe you lately
and i despise my jealous eyes and how hard they fell for you yeah, i despise my rotten mind and ho
