

Olivia Rodrigo, love is embarrassing

i told my friends you were the one after i'd known you like a month
and then you kissed some girl from high school
and i stayed in bed for like a week
when you said space was what you need waited by my phone like a goddamn fool

and now it don't mean a thing god, love's fucking embarrassing just watch as i crucify myself
for some weird second string loser who's not worth mentioning
my god, love's embarrassing as hell

and i consoled you while you cried over your ex girlfriend's new guy my god, how could i be so stupid
you found a new version of me
and i damn near started world war 3 jesus, what was i even doing

cuz now it don't mean a thing god, love's fucking embarrassing just watch as i crucify myself
for some weird second string loser who's not worth mentioning
my god, love's embarrassing as hell

i give up give up
i give up everything
i placed my bets and it's not worth anything i give up give up
but i keep coming back for more
now it don't mean a thing
god, love's fucking embarrassing just watch as i crucify myself
for some weird second string loser who's not worth mentioning
my god, love's embarrassing as hell
i give up give up
i give up everything
i'm planning out my wedding
with some guy i'm never marrying i'm giving up i'm giving up
but i keep coming back for more
