

# Olly Murs, Up (ft. Demi Lovato)

I drew a broken heart  
Right on your window pane  
Waited for your reply  
Here in the pouring rain  
Just breathe against the glass  
Leave me some kind of sign  
I know the hurt won't pass  
Just tell me it's not the end of the line  
Just tell me it's not the end of the line

I never meant to break your heart  
Now, I won't let this plane go down  
I never meant to let you cry  
I'll do what it takes to make this fly  
You gotta hold on  
Hold on to what you are feeling  
That feeling is the best  
The best thing, alright  
I'm gonna place my bet on us  
I know this love is heading in the same direction  
That's up!

You drew a question mark  
But you know what I want  
I wanna turn the card,  
Right back to where it was

So let's build the bridge,  
From your side to mine  
I'll be the one to cross over  
Just tell me it's not the end of the line  
Just tell me it's not the end of the line

I never meant to break your heart  
Now, I won't let this plane go down  
I never meant to let you cry  
I'll do what it takes to make this fly  
You gotta hold on  
Hold on to what you are feeling  
That feeling is the best  
The best thing, alright  
I'm gonna place my bet on us  
I know this love is heading in the same direction  
That's up!

Girl, I know we can climb back to where we were there  
Feeling here with my heart, put my heart in your hand  
Well, I hope and I pray that you do understand  
If you did all you have to say is  
I'm waiting for ya!

I never meant to break your heart  
Now, I won't let this plane go down  
I never meant to let you cry  
I'll do what it takes to make this fly  
You gotta hold on  
Hold on to what you are feeling  
That feeling is the best  
The best thing, alright  
I'm gonna place my bet on us  
I know this love is heading in the same direction  
That's up!
