Olsen Brothers, Fly In The Wind (Eurovision 200

In the summer night When the moon shines bright Feeling love forever And the heat is on When the daylight is gone Still - happy together There is just one more thing I would like to add She is the greatest love I've ever had Fly on the wings of love Fly baby fly Reaching the stars above Touching the sky And as time goes by There is a lot to try And I'm feeling lucky In the softest sand Smiling hand in hand Love is all around me There's just one more thing I would like to add She is the greatest love I've ever had Fly on the wings of love Fly baby fly Réaching the stars above Touching the sky
