

# Oman Freestyle, It's Like Ya'll Neva See Me Comin

Uh oh, its like ya'll neva seen me comin  
I'm straight bustin heads and gunnin  
I se the fear in your eyes and I can see you runnin  
The shit I say is like a consequence  
Nigga yo freestyle lyrics are an accident  
I'm Mr. Invincible, Mr. Unstoppable  
And 9 times out of 10 of you beating me is impossible  
The only time you see me fight is when I carry a bat  
Cuz every time I'm at a party I hae the crowd straight packed
