

Oman Freestyle, To My Love

Do you beleive in love at first sight?
Well i do... at least from tha moment I met you
I told myself i wasnt gonna sweat you
Me lose u? naw aint gon let u
I look into yo eyes, and get lost for dayz
I open my mouth, wit no words to say
Becuase yo beauty, yo style, and yo grace
And that nice a\$\$ uhh I mean face
Aye but you got me speechless
But hey its kinda hard 4 me 2 speak this
Its like i got shot in tha heart by cupid
I might b crazy, but im not stupid
If you dont already know..
If you dont kno whut im tryin 2 sho...
What im trin 2 say, is that i like you
What im hopin 4 u 2 say, is that u like me too
I guess i would understand
If u aint want me 2 b yo man
So gimme a simple response to this rhyme
So i kno whether or not im wastin my time
Cuz i gotta stay on tha grind
Thatz whut my rhymes is about
And if u like me, tell me, gimme a shout
If not who knos whut tha future has in store
Yea i kno i tore up tha scene wit my freestyle... once more
aiyo ~peace~ im out
