

# Omar Apollo, Evergreen

He don't love  
Me no more  
He don't love  
He don't love  
Me no more

(First Verse)

Evergreen, he controls me  
Was there something wrong with my body  
Am I not what you wanted, babe  
If I ever tried, if I ever tried  
I would

(Chorus)

Evergreen, he tears me to pieces  
Evergreen, doesn't even have to try

(Verse Two)

She don't  
Know you like me  
She could never love you more  
More than me  
But sometimes I pray that you fall in love  
I've cried, I've cried so much  
For you baby

(Chorus)

Evergreen , he tears me to pieces  
Evergreen, doesn't even have to try  
Evergreen

(Verse Three)

You know you really made me hate myself  
Had to stop before I break myself  
Shoulda broke it off to date myself  
You didn't deserve me at all, at all, at all

One last time  
I see, Evergreen  
Please don't come home to me  
Sweet Evergreen  
He don't love  
Me no more

(Outro)

He don't love  
Me no more  
He don't love  
He don't love  
Me no more
