Yo, Yo, Yo, Yo

No I ain't sayin' nothin' baby

(Yay yay, moo moo..)

[Omar]

What's with you I want to know

Your inner self is starting to show

Speak your mind in the best way

Don't want to waste your time another day

No matter how hard I fall, nothing ever seems to change

Whenever I hear you call, I come running just the same

[Chorus: Omar (background singers) {Ol' Dirty Bastard}]

If you say nothin' (Say nothin')

Want nothin' (Want nothin') want nothin' from me

Please Don't waste my time

I said somethin' (Said somethin')

wanted somethin' (wanted Somethin') for you

Now your wasting my time

If you know cause I wanted {Yo yo yo yo}

Don't put me down cause I want it

Don't put me down cause I need it

[Omar (Ol' Dirty Bastard)]

I don't know just what to say

I know my mouths is gonna run away

Can't you please excuse my mood

I ain't gonna go out my way to being rude no, no, no

Eveyday is a day that is wasted trying to make a change yeah

That just like seas trying to change the places with time and space

(Sing this)

[Chorus: Omar (background singers) {Ol' Dirty Bastard}]

You say nothing (Say nothin')

Want nothin' (Want Nothin') Want nothin' from me

Please don't waste my time (Don't waste my time)

I said somethin' (I said somethin')

Wanted somethin' (I wanted somethin')

I think It's for you to respect me

{Yo Yo Yo Yo}

(Don't waste my time no)

{No I ain't sayin' nothin' baby}

[Ol' Dirty Bastard]

Yo yo Omar

Check it, CIA told me not to say nothin'

About Biggie and 2Pac, life's a little somethin'

Whenever there's no witnesses

You know the government had to do with this

Eighty six churches got burnt, no witnesses

Guess I'm next on the hitlist

They tried to kill me three times

Same Osirus from the type of God, brought forth the people refined

I'ma start hittin' the schools

Teachin' my children about the devil without the God within

You thought they was dead BIG and Pac lived in me

I know all you sick human families

I mastered all you human lessons kid

Takin' my photograph tryin' to manipulate my negative  
The raws and R's will do far, Omar  
I'm not sayin' nothin', the black kid is God
