

# Omarion, Fiening You

Uh yeah ahh one of those thuggin Kind of thangs T.U.G  
Listen (Fienin You)

(Verse One)

I've been noticing you been going in and out when you feel the need baby  
But I can't help but to wonder where where you areeee (awwhh no)  
See I've done my dirt, chasing all them skirts all around the world I've done my do.  
But when it comes to you I will loose my head, but it's hard to sleep alone

(Chorus)

And I know when I'm away  
You miss me all day  
But driving me crazy girl I'm fiening you  
But you leave me all alone  
I'll be back 4sho  
Just so that you know girl I'm fiening you  
When you need to be relaxed lay down on your back  
Know who you can ask cuz I'm fiening you  
Baby know all threw the day you keep me in my place  
One thought of your face and I fiening you

(Verse Two)

When you're not around, baby girl I'm down and out cuz I'm thinking about you (whoaaa)  
(Are you creeping on me?) Baby just let me know  
Who it is, What it is Right now  
Fo it get real ugly  
This situation bugs me  
Tell me if you love me  
Or if this means nothing (whoaaa)or wen im away

(Chorus)

And I know when I'm away  
You miss me all day  
But driving me crazy girl I'm fiening you  
But you leave me all alone  
I'll be back 4sho  
Just so that you know girl I'm fiening you  
When you need to be relaxed lay down on your back  
Know who you can ask cuz I'm fiening you  
Baby know all threw the day you keep me in my place  
One thought of your face and I fiening you

(Break Down)

You know what I'm about  
I'm not just a thug  
Here tryna turn you out  
I'm there for you girl, I'm down  
What it is, said what it is, I wanna let you know that I'm fiening you

You know what I'm about  
I'm not just a thug  
Here tryna turn you out  
I'm there for you girl, I'm down  
What it is, said what it is, I wanna let you know that I'm fiening you

(Chorus)

And I know when I'm away  
You miss me all day  
But driving me crazy girl I'm fiening you  
But you leave me all alone  
I'll be back 4sho  
Just so that you know girl I'm fiening you  
When you need to be relaxed lay down on your back  
Know who you can ask cuz I'm fiening you

Baby know all threw the day you keep me in my place  
One thought of your face and I fiening you
