

Omarion, I'm Up (Ft. Kid Ink & French Montana)

Baby I'm the man, I'm up
Couple hundred bands on the car
Villa and a mansion,
I'm that nigga
I'm that nigga, I'm that nigga
I'm with my niggas bring more bitches

Girl, I got the mojo
See you when you double tap the photo
She ain't into logos (nope!)
Living single like Maxine, I'ma have her singing like Coko
Can't cuff me, bitch please
You can get involved
You know who to call when your man Duval, too small no [?]
Cause I'm up, zero, zero, zero, comma
Heard you looking for a sponsor
Well you gon' have to ride this anaconda

Baby I'm the man, I'm up
Couple hundred bands on the car
Villa and a mansion,
I'm that nigga, I'm that nigga
I'm that nigga, I'm with my niggas
Bring more bitches
