Now I

Can't escape what I'm feeling inside

So ain't no use a running

But (oh no)

I don't know if you feeling me the same

You gotta tell me something (gotta tell me something)

Cause I don't wanna be in love with a girl

Who's way too busy fronting

(Hook:)

I wanna go back to when

To when you were just a friend

No complications

Not my heart racing

When I see you baby

But it aint the same cause now

I can't resist your smile

You got me buggin

I'm caught up in loving

And I know it's crazy but

(Chorus:)

(I, I) I wish I didn't love you

(I, I) I wish I didn't love you

(I, I) I wish I didn't love you

You gotta hold on with dedication

So I wont even fight it (no I wont even fight it)

Girl you keep a smile on my face

And I be so excited
