

# Omarion, Just That Sexy

Hey, yeah.

(Verse 1)

Baby everytime you walk I get turned on.  
The way you're switching that thang, do it for me.  
The way that your lips move when you say my name.  
Whisper anything to me

(Bridge)

(All night)

You can rodeo for me (all night)  
Get up on that O for me (it's alright)  
Like ya supposed to be (so why?)

(Chorus)

So why you gotta be that sexy?  
Sittin' up there knowin' you be that sexy.  
I'm already knowin' that your sex be, crazy.  
Always on my mind it's killin' me.  
'Cause your S.E.X is the most.  
You bring me down to my knees  
From the bed to the floor  
Oh girl I'm begging you please

Work with me, work, work with me  
Oh work with me.  
Work with me ma  
Baby you're just that sexy.

(Verse 2)

Never get enough of you give me some more.  
I ain't gon' front, you're twistin' me out.  
Hmm Whatever it is they should sell it in the stores.  
Best believe they'd all be sold out.

(Bridge)

(All night)

You can rodeo for me.

(All night)

Get up on that hold (pole?) for me. (It's alright)  
Like it's supposed to be. (So why?)
