

Omen, Ruby Eyes (Of The Serpent)

Cut out the hearts of the children
Watch their life's blood slowly fade away
Drain of every ounce of power
And lead every one of them astray

(Chorus)
Ruby eyes of the serpent
Are beckoning
Ruby eyes
Bring a day of reckoning

The bowels of the Earth
Spit up the flame and fire
To burn away every foul and evil thing

No path will be left for
The heartless liar
Who will be left to claim
This land and to be king

(Chorus:)..let's burn

Cut out the hearts of the children
Watch their life's blood slowly fade away
Drain of every ounce of power
And lead every one of them astray

(Chorus)

Ruby eyes
Ruby eyes
Are beckoning
Ruby eyes
Ruby eyes
Bring a day of reckoning:.Whoh:
