

# Omkaara, Saathi Re

o saathi re din dube na - 2  
aa chal din ko roke  
dhup ke peeche daude  
chaanv chhue na  
o saathi re  
o saathi re din dube na  
aa chal din ko roke  
dhup ke peeche daude  
chaanv chhue na  
o saathi re  
o saathi re din dube na  
thaka thaka suraj jab nadi se hokar niklega  
hari hari kaayi pe paanv bada toh fislega  
tum rok ke rakhna main jaal giraan  
tum pith pe lena main haath lagaan  
din dube na ha  
teri meri atti katti  
daat se khaati katti  
re jaiyo na  
o piyu re  
o piyu re na jaiyyo na  
kabhi kabhi yun kare main daantu aur tum darna  
ugal pade aankhon se feenke paani ka jharna  
hmm tere kehre badan mein sil jaaungi re  
jab karwat lega tu chhil jaaungi re  
sang le jaaunga  
teri meri angni mangni  
and sang lagi sangni  
sang le jaaun  
o piyu re  
o saathi re din dube na  
aa chal din ko roke  
dhup ke peeche daude  
chaanv chhue na  
o saathi re
