

Omnisoul, No More Love Songs

You'd think writing would ease the pain.

Oh, no.

It's just a tease of stress relief I know.

So, now I

Always tell myself: no more love songs.

They're addictive and always find a way to creep into your songs,

Even if they don't belong.

Find me a way to prove there's nothing left to say

Of love today.

Decided to leave love behind.

Oh, no.

It's just what I need right behind me now

(Self control), and now I say

Always tell myself: no more love songs.

They're addictive and always find a way to creep into your songs,

Even if they don't belong.

Find me a way to prove there's nothing left to say,

Nothing left to

Say about love.

Feel without love.

Cry without love.

Bleed without love.

I can feel without love,

And I can taste without love.

Today without love.

Now

Im

Without

You
