

# Omnisoul, Sober

Distractions make me easy to find,  
Easy to find me again.  
Your love it makes me easy to find,  
Easy to find me again.

Alive again.  
Alive again.  
Alive again.  
Alive again.

I'm feeling sober.  
I'm feeling something,  
But I can hardly breathe at all.  
Alive  
And laughing to myself.

I'd love to make you easy to find,  
Easy to find you again.  
My love can make you easy to find,  
Easy to find you again.

Oh, and when I feel,  
Don't ever let me go.  
Sing, oh, yeah.  
When I feel,  
Don't ever let me go
